BAY ST. LOUIS, MISS., FRIDAY, MARCH 24, 1944

VOL. 53 — No. 12

OLE WINDINGSTAD TO BRING SYMPHONY HERE SUNDAY

Concert at 2:30 P. M.—At Bay High School—Free To The Public

For the first time in its history Bay St. Louis will be honored by the visit of a symphony orchestra. Maestro Ole Windingstad will bring his New Orleans Symphony Orchestra here for a program next Sunday afternoon, March 26. The concert will be given at the Bay High School and it is scheduled to begin at 2:30 sharp. This is indeed a rare occasion as well as a great musical treat for the lovers of serious music.

The New Orleans Symphony Orchestra numbers approximately seventy members at present. Twenty-one of its members are in the Armed Forces. This outstanding organization is enjoying an enviable reputation under the guidance of their capable conductor, Maestro Windingstad. The progress which the New Orleans Symphony Orchestra has made since Mr. Windingstad took it over is most remarkable. We are indeed grateful to Mr. Windingstad for selecting Bay St. Louis as one of the cities in which the New Orleans Symphony will give its five out-of-town concerts.

The American Federation of Musicians is sponsoring these concerts throughout the country at the request of President Roosevelt. It is the wish of our President that the American Federation of Musicians strive to their utmost to bring good music to the American public not only as a "moral booster" during these hectic days, but as a permanent cultural gift as well. President Roosevelt himself requested that the program be carried out all over the nation.

Let us show our appreciation by turning out in large numbers for the concert. Since the type of music played by a symphony orchestra is naturally not interesting to youngsters and since the quietness demanded from the audience during the playing by the orchestra must be absolute silence, parents are requested not to bring children. Elementary grade students will not be admitted to the concert.

Mr. G. F. Rooney and Brother Rognald are in charge of local arrangements.

\$3800 STILL NEEDED FOR RED CROSS

This Is An Appeal For Your Help!—Don't Let Your County Down

Hancock County is still lacking about \$3800 of its \$9300 quota for the Red Cross War Fund. What is the solution to this problem? Is it your donation that is holding up other donations?

There is a lot of talk of the Freedom of this grand old United States but if you are found wanting when your donation to the Red Cross War Fund is needed this freedom will be imperiled.

This is an appeal to you and your patriotism to bring in your donation now and be able to truthfully say "I have done what I could."

Hancock County will not suffer if it does not make its quota; those working on long hour schedules on the Red Cross Drive won't be hurt if the quota isn't reached, you may not be hurt if you do not give when called on. But what about the men in the trenches, in the fox holes, guiding their planes on lonely flights, on ships far from sight of land with submarines all around them, lying in hospitals in pain and dying from lack of surgical dressings and blood plasma and of sheer loneliness. They are the ones to be considered first, last and always. They are the ones to be hurt, if money is not forthcoming when needed.

The armed forces are winning the war the hard way and have given you the easy way. The privilege of being at home with our families and denying ourselves nothing but a few dollars now and then. Are you going to let them down?

This \$9300 quota is not the responsibility of the women working, working day after day to raise the money. It is the community's responsibility and you Mr. and Mrs. Citizen constitute a part of the community.

Don't have this appeal repeated week after week. Do what you know to be your duty. What you know to be your personal obligation to those who are fighting in rain and cold and sometimes hungry because they haven't time to eat.

Give generously, give gladly, give wholeheartedly but most important GIVE NOW because your donation is needed now. Not next year, not after the war but NOW.

Celebrates Feast Of Saint Joseph

In keeping with his vow made 24 years ago for the restoration of his wife's health, and which she helps keep, Mr. and Mrs. Gaspar Maurigi again celebrated the Feast of St. Joseph in their home on Railroad avenue.

The long table is laid in the living room and an altar is erected at the head. A cake made in the form of a cross rests between the two tall candle holders where two tapers are kept lighted.

On the table is a feast of fish salad, cakes, breads in the form of alligators, turtles, crosses and one in the form of St. Joseph's staff. There are great quantities of candies some made from the old Italian recipe.

Their home was open from 5 p. m. on Saturday to visitors and on Sunday from 6 a. m. to 11:30 a. m. and visitors may place flowers and candles (to be lighted) on the table for their own intentions.

The food was blessed by Rev. Father A. J. Gmelch at 2:30 on Sunday afternoon and then blessed lucky beans were given to those who came.

Following the blessing of the food it is distributed to the poor. One unique custom is the making of three wreaths of bread and these are given to two orphans a boy and girl and an old man who represent the Blessed Trinity. This year the two orphans were Mary Taconi and Harold Saucier and the old man was Mr. Tony Locanone.

This food is all prepared by Mrs. Maurigi with the assistance of members of her family and the baking of the breads is done by Mr. Alfred Vassalli at the Sanitary Bakery.

This year Mrs. Maurigi hesitated preparing the food because of the rationing and Mr. Maurigi said "But we must keep our vow."

R. Terrell Perkins Added To Local War Price And Rationing Board

Mr. R. Terrell Perkins is well known throughout the county and it is felt that his services will be a great addition to the present board which has been operating under a hardship.

There will be additional members added to the board in time and before long there will be complete panels to take care of the many problems requiring attention in the rationing program.

RED CROSS GETS NAZI FLAG AID

Girls of John McDonough High, 2400 Esplanade avenue, New Orleans, today were promised the "exclusive privilege" of writing their names on a captured German flag—providing they make an extra contribution to the Red Cross War Fund campaign.

Elvige Furr, 16, of 114 North Hennessy street, senior, and active Junior Red Cross worker, received the flag in a package from Italy yesterday, and promptly rushed it to the school today with her campaign idea. It was sent her by Jessie Lafontaine, Signal Corpsman from Lake Shore, Miss.

She decided to announce Miss Josephine Thomas' "Today" flag campaign, however, and after the regular Red Cross collection, next week. Each room has a quota of \$10.00.

Already a show presented by the Senior Class, for a dime-plus admission fee, has raised \$94.00, and is being repeated for parents tonight. Miss Thomas said the pupils probably will contribute in the neighborhood of \$500.00.

The captured flag is red with a white center crossed by a black swastika.

FAIR OUTSTANDING SUCCESS

The fair sponsored by the Junior Red Cross of St. Joseph Academy and the Bay-Waveland Garden Club met with great success. A goal of \$1,000 was set by these organizations to be reached at the fair for the benefit of the War Fund Drive of the American Red Cross. Better than the thousand dollars was realized, the actual total being \$1,065, and it is with the deepest appreciation that the members of these organizations would like to express their thanks to those people who gave so generously of their time and efforts to make this such a successful venture. To Father Clark for his untiring efforts in our behalf with the organization work, to the Sisters of the Sacred Heart, to Mr. Alvin Weinberg for the decorations, and to Mr. Fred Fayard and his troop of Boy Scouts for the erecting of the tables and the manual work.

There were many others who gave unstintingly of material and moral support, and to those also we would like to say thanks.

Thanks also to Mr. Henry Larose and his associates in the "Barkers" end of the fair, namely, Mr. Grady Perkins, Ensign Mark Steiner, Mr. Forrest Favre, Mr. L. S. Elliott, Mr. Donald Arceneaux and Mr. Guy Drew.

This is the second time that these two clubs have worked together to raise funds for the Red Cross. On each occasion they have met with overwhelming success and it is to be hoped that they will continue as a team in the future.

Her family decided that they would go on with the preparation of the non-perishable foods, pack them and send them to the sons of Mrs. Necaise's friends who are in the service. The convalescing sailors and Camp Kittiwake were also remembered.

What more lasting tribute could have been paid to Mrs. Necaise than this and her memory will be kept alive in the hearts of her friends and of the boys fighting overseas.

Canning Sugar Same

The same amount of sugar allowed housewives for canning purposes last year will be made available this year, it was announced last week by the Office of Price Administration.

At present, five pounds of canning sugar may be purchased with Sugar Stamp No. 40 (Book No. 4) and the remainder, a maximum of 20 pounds per person—will be granted upon application to local boards any time after March 23. There will be no restrictions on the amount of sugar for each quarter of finished fruit as in former years, OPA said.

OPA stated that new and simplified forms are available to persons making application for canning sugar and that the entire transaction may be handled by mail.

OPA has also made it unnecessary to send ration books through the mail by arranging for the use of Spare Stamp No. 37 (Book No. 4) as an identifying claim check. This stamp should be attached to the application form for each person applying for sugar. OPA said consumers may obtain this application form by appearing in person at their local boards or by writing to their boards.

More Red Stamps March 26

OPA announced this week that stamps G8, H8 and J8 will become valid March 26 to purchase meats and fats and will continue to have a uniform value of 10 points, for use with tokens. This series of stamps will continue valid to June 18.

On April 1, blue stamps F8 thru K8 will become valid for canned fruits and vegetables and will be good until June 20.

Sausage Points Reduced

Reductions of one and two points in the ration point values of many types of sausage including frankfurters and bologna have been announced by OPA and are expected to remain in effect until April 2, when a new table of point values will be issued.

Consumers normally buy less sausage at this time of year, OPA said, and this tendency has been accentuated recently by the low point values for many cuts of fresh meat, especially pork.

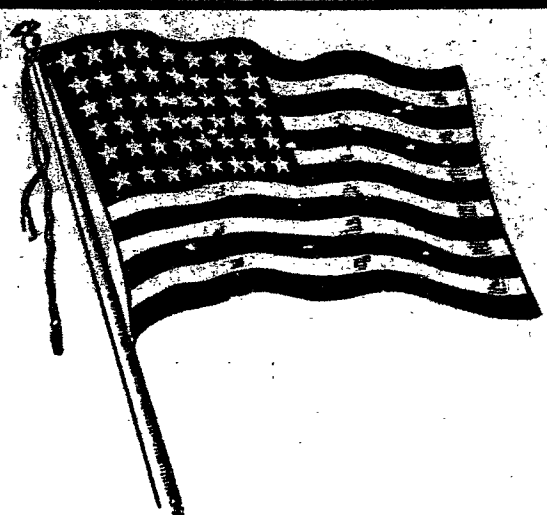

Sausages packed in tin or glass containers, such as Vienna sausage, are not affected by the reduction.

'B', 'C' Ration Holders Warned

In launching a new and intensified drive against black market gasoline operations which reportedly are robbing Mississippians of thousands of miles of driving each month, persons who misuse their 'B' and 'C' gasoline rations will face the loss of such rations and possible prosecution, OPA at Jackson warned.

OPA said it had reports that many motorists using 'B' and 'C' coupons are abusing their privileges and that it had reason to believe that many others are just as guilty of such misuse which has not yet been uncovered by investigators.

OPA said further that last week's action to reduce the value of 'A' gasoline ration coupons would not have been necessary had not black market activities dipped so deeply into an already limited supply. It was explained that all 'A' coupons will continue to be worth three gallons each, but under the new plan they will be valid for three months instead of two, thus adding thirty days time to each set of 'A' coupons. A-11 coupons became valid, March 22.

NOTICE

There came on for consideration by the Mississippi Seafood Commission at a recess of its regular March, 1944 meeting, the consideration and adoption of the following ordinance:

ORDINANCE NO.

AN ORDINANCE MAKING IT UNLAWFUL FOR ANY PERSON, FIRM OR CORPORATION TO USE OR SET ANY SEINE OR NET OF ANY TYPE OR ANY FISH TRAP IN THE WATERS OF JORDAN RIVER OR CUT-OFF BAYOU OR ANY OF THE BAYOUS, BAYS, STREAMS OR OTHER WATERS TRIBUTARY TO SAID JORDAN RIVER, CUT-OFF BAYOU OR THE STREAMS CONNECTING THEREWITH, INCLUDING THE BAY BETWEEN THE MOUTH OF SAID CUT-OFF BAYOU AND JORDAN RIVER FROM A LINE EXTENDING FROM THE WESTERN TERMINUS OF THE SEAWALL EXTENDING ALONG NORTH BEACH BOULEVARD AND RUNNING THENCE NORTH, SIXTY DEGREES WEST, TO THE EAST BANK AT THE MOUTH OF SAID CUT-OFF BAYOU, ALL IN HANCOCK COUNTY, IN THE STATE OF MISSISSIPPI, AND MAKING IT UNLAWFUL FOR ANY PERSON, FIRM OR CORPORATION TO CATCH OR TAKE ANY FISH FROM ANY OF SAID WATERS BY MEANS OF ANY NET, SEINE OR FISH TRAP, AND PROVIDING A PENALTY FOR THE VIOLATION OF SAID ORDINANCE.

WHEREAS, the Seafood Commission of the State of Mississippi finds that taking and catching fish in the waters of Jordan River, or Cut-Off Bayou, or any of the bayous, bays, streams or other waters tributary to said Jordan River, Cut-Off Bayou or the streams connecting therewith, including the bay between the mouth of said Cut-Off Bayou and Jordan River from a line extending from the western terminus of the seawall (extending along North Beach Boulevard) and running thence North, sixty degrees West, to the East bank at the mouth of said Cut-Off Bayou, all in Hancock County, in the State of Mississippi, by or with any seine, gill net, cast net, trammel net, hoop net, barrel net, fyke net, wing net, shrimp trawl or dragnet, and/or any similar contrivances or any fish trap, is inimicable to the conservation and propagation of fish and other valuable seafoods which are the property of the State of Mississippi in trust for the people thereof, and that the use of any such seine, gill net, cast net, trammel net, trap or like contrivance in any of said waters destroys the breeding grounds of such fish and seafoods and tends to deplete the said valuable resource of the State of Mississippi; and that

said waters are within the jurisdiction of said Seafood Commission and said Commission, after thorough investigation and study, finds it to be necessary for the protection, propagation and conservation of such fish and seafoods that the taking and catching of such fish and seafoods in said waters by and with any such seine, gill net, trammel net, fish trap or other contrivance and that the use of such seine, gill net, trammel net, fish trap and/or other similar contrivance in said waters should be prohibited; and that the Commission has full jurisdiction to prohibit the same under the provisions of Chapter 164 of the Mississippi Code of 1930; therefore

BE IT ORDAINED BY THE SEAFOOD COMMISSION OF THE STATE OF MISSISSIPPI:

SECTION 1. It shall be unlawful for any person, firm or corporation, to take or catch any fish or other seafood by, or with, any seine, gill net, cast net, trammel net, hoop net, barrel net, fyke net, wing net, shrimp trawl net, dragnet or fish trap in any of the waters of Jordan River, or Cut-Off Bayou, or any of the bayous, bays, streams, or other waters tributary therewith, including the bay between the mouth of said Cut-Off Bayou and the mouth of Jordan River from a line extending from the western terminus of the seawall (extending along North Beach Boulevard) and running thence North, sixty degrees West, to the East bank at the mouth of said Cut-Off Bayou, all in Hancock County, in the State of Mississippi.

SECTION 3. The words, "Jordan River, or Cut-Off Bayou, or any of the bayous, bays, streams or other waters tributary to said Jordan River, Cut-Off Bayou or the streams connecting therewith, including the bay between the mouth of said Cut-Off Bayou and the mouth of Jordan River from a line extending from

the western terminus of the seawall (extending along North Beach Boulevard) and running thence North, sixty degrees West, to the East bank at the mouth of said Cut-Off Bayou, all in Hancock County, in the State of Mississippi," as used in this ordinance shall be construed to mean any of said waters being West or North from a line commencing at the Western terminus of the seawall extending along North Beach Boulevard, which extends along the shore of the Bay of St. Louis in Hancock County, Mississippi; and from said point, at the terminus of said seawall, running North sixty degrees West to the easternmost bank or point where Cut-Off Bayou empties into said Bay of St. Louis lying West and North of said line, and any inlets, lagoon or bays connected therewith which flow into the main body of the water of the Bay of St. Louis, or of any streams or body of water which flows into said Bay of St. Louis.

SECTION 4. BE IT FURTHER ORDAINED, that any person, firm or corporation violating any of the provisions of this ordinance shall be guilty of a misdemeanor and on conviction shall be fined in the sum of not less than ten dollars nor more than one hundred dollars, or imprisonment in the jail of the county in which such violation of this ordinance is committed for not more than thirty days for each such offense, or punished by both fine or imprisonment in the discretion of the court.

SECTION 5. BE IT FURTHER ORDAINED, that each section of this ordinance is declared separate and if any section or part thereof be held invalid, unconstitutional or void, the balance of this ordinance shall remain in full force and effect.

SECTION 6. BE IT FURTHER ORDAINED, that any ordinance or part of ordinance of this Commission in conflict herewith be and the same is hereby repealed; and the public necessity requiring it; that this ordinance shall take effect and be in force from and after its passage and that the Secretary of this Commission, be and he is hereby directed to make publication of this ordinance in a newspaper published in Hancock County, Mississippi.

"NORTHERN PURSUIT" AT A. & G. THEATER SUNDAY AND MONDAY

With Errol Flynn In a Vivid
Epic of Adventure and
Action

A fiery-brilliant performance by Errol Flynn, against the icy-brilliant background of the snowy expanses of Canada's Hudson Bay Country, dominates the vivid epic of adventure, "Northern Pursuit," the new Warner Bros. picture at the A. & G. Theater Sunday and Monday. In an exciting narrative which cleverly alternates gulle with explosive outbursts of physical action, his portrayal is a sensitively accurate blending of his impetuosity in "They Died With Their Boots On" and his restraint in "Edge of Darkness."

Julie Bishop, Helmut Dantine, John Ridgely and Gene Lockhart head a supporting cast which is in every instance equal to the story's dramatic vigor and intensity.

Captured by Mounties
To the party of uniformed Nazis, landed on the coast of Hudson Bay on a sabotage mission, the setting is a hostile force which almost annihilates them at the very outset. Only the leader, Colonel von Keller (Helmut Dantine) survives an avalanche of snow and falls into the hands of Royal Canadian Mountie Steve Wagner (Errol Flynn) and Jim Austen (John Ridgely).

Julie Bishop Forceful
As Flynn's sweetheart Laura, Julie Bishop is as forceful and resourceful as she is pretty, taking a key part in the strenuous action. Helmut Dantine as von Keller continues to avenge his real-life imprisonment in a concentration camp by a full-length portrayal of a Nazi that audiences will love to hate.

Paul Walsh is a director with a decided knack for action. Here in the frozen North he keeps things warm and humming, with no danger that either actors or audience will suffer from frost-bite. He has often been assigned to Flynn's pictures and again their collaboration has produced a gratifying result.

"Northern Pursuit" produced by Jack Chertok, was written by Frank Gruber and Alvah Bessie from Leslie T. White's story.

Cyclops—a one-eyed giant of ancient legend, rumored to have been a very tough fellow.

EVEN CYCLOPS COULD SEE IT

- See what?**
That electric rates are much lower now than they used to be.
- Come again?**
It's the truth. The average family gets about twice as much electricity for its money as it did 15 years ago.
- Quit clowning!** Seems to me my bill gets bigger every year.
- Know why, don't you? Because all along you're using more service, more appliances—to make home life easier, more efficient. For example, you're using an electric range now, aren't you?
- Sure.** Got it—oh, five years ago.
- And a washing machine for your wife?
- Yep.** No horse-and-buggy days for us.
- And didn't you buy an electric refrigerator back in those dear, dead days before the war, when there were such things? And a couple of electric fans one hot summer?
- Okay, okay.** You win.
- No—you win. You win the greatest household and industrial servant of them all—electricity. And at rates that have stayed down while the cost of living—as it always does in wartime—has gone up. Something to keep in mind, isn't it?
- You said it, brother!**

ORTTE THEATRE SUNDAY AND MONDAY "GUNG HO"

In First Southern Showing
—Starring Randolph Scott

Marine Gunnery Sergeant Victor "Transport" Maghakian has a personal interest in "Gung Ho" the Universal action drama which screens Sunday and Monday at the Ortte Theatre, with Randolph Scott in the starring role.

It is the breathless story of the gallant raid on Makin Island when 210 of the Second Marine Raider Battalion — "Carlson's Raiders"—sneaked ashore in 20 rubber boats, destroyed three radio stations, demolished all installations, sunk a Jap transport ship, slew every Jap, then escaped back to Pearl Harbor.

"Transport," so named because he has spent seven years traveling on transports from one battle zone to another, has an interest in "Gung Ho" because his "old man" Lieut. Col. Evans F. Carlson, who planned and commanded the Makin Island raid, was technical director on the picture produced by Walter Wanger.

He is interested because 1st. Lt. W. S. Le Francois, who fought beside him, wrote the story.

But he is particularly interested, because Lieut. Le Francois wrote him into the story as one of the outstanding characters, and the film character retains the name of "Transport" played by Sam Levene. It is one of the lesser rewards received by Sgt. Maghakian for his gallantry. Among his others are the Navy Cross with President's citation, the Silver Star and the Purple Heart with gold cluster, in recognition of two serious wounds in two outstanding deeds of bravery.

Sgt. "Transport" Maghakian is respected by his fellow raiders as the war's deadliest Jap killer, with knife, bayonet, rifle, pistol, machine gun, grenade, bare hands, or choose your weapon. Ray Enright directed "Gung Ho" with Noah Beery, Jr., Alan Curtis, Peter Coe, and Grace McDonald in featured roles.
